STRATEGIC PLAN
CORE ELEMENTS

INFLUENCE
Legislators, businesses, community leaders and the general public recognize the essential value of Colorado’s nonprofit sector. Colorado pursues and maintains public policies and partnerships which support a flourishing operating environment for nonprofits.

KNOWLEDGE
Colorado nonprofit professionals are prepared and inspired to lead sustainable, transparent and innovative nonprofits serving communities.

NETWORK
Colorado nonprofit professionals have strong relationships with each other and with government officials and business leaders, engendering collaboration, shared resources and peer-to-peer learning.

COLORADO NONPROFIT ASSOCIATION

INFLUENCE
Lead adoption and implementation of public policies that strengthen nonprofits and communities.

Increase the sustainability of the nonprofit sector by providing professional development, access to best practice knowledge and current trend information to people and organizations.

KNOWLEDGE
Colorado has the nation’s most effective, vibrant and innovative nonprofit community that is essential to the quality of life in our state.

Colorado non-profit professionals are prepared and inspired to lead sustainable, transparent and innovative non-profits serving communities.

NETWORK
Connect members with each other and with outside resources to enrich and strengthen their work.

Facilitate and grow a thriving, connected membership of nonprofit professionals.
